The relief I attribute who live the effect of your "Oxygenated little who live who live to the effect of your "Oxygenated little last in the wholly to the effect of your "Oxygenated little last in the wholly to the effect of your "Oxygenated little last in the last two years; since that time the incomperance, at the College Chapel last evening, by berance, at the College Chapel last evening, by the Rev. David Dobie, of Plattsburgh, was highly interesting and satisfactory to a large and intelligent audience. A considerable portion of the discourse was devoted to a discussion of the character and genius of Burns. His remarks in this connection, were listened to with marked attention. He quoted several of the Poet's songs with thrilling effect, bringing out beauties, we doubt not, many who heard him, never saw in them before. The moral, also, which he drew from the life and premature death of Burns, as applicable to his subject, was as impressive as it was just. Altogether, the subject, the manner of treating it, and the fact that the speaker was a countryman of Burns' born and bred within a few miles of the poet's livel, where contributed to make his discourse the fact that the speaker was a countryman of Burns' born and bred within a few miles of the poet's livel, where contributed to make his discourse the fact that the speaker was a countryman of Burns' born and bred within a few miles of the poet's break as the most of contributed to make his discourse that true "usually ascribed to fine poet and intelligent and naturally allowed it to fine p.
